Dear Brother/Sister,

Greetings from **NYP and Organizing committee of IYFC, 2025!**

We are honoured to **invite you to this transformative camp**, hosted by *Shri Ram Mohan Rai*, General Secretary of the **Gandhi Global Family & Nirmala Deshpande Sansthan**. This camp in historic Panipat is a tribute to the ideals of **Mahatma Gandhi, Vinoba Bhave, Didi Nirmala Deshpande, and Bhai Ji Dr. S.N. Subbarao**—visionaries whose legacies continue to inspire youth worldwide.

This camp will bring together **300–400 young delegates** from India and beyond, nominated by the National Youth Project and affiliated units. Through engaging discussions, cultural programs, and service initiatives, *we will embrace Gandhian principles of unity, peace, and social responsibility*.

Camp Highlights

- **Tributes & Dialogues** – Panel discussions and interactive sessions on nonviolence, youth leadership, and social justice, commemorating the birth anniversaries of Shaheed Bhagat Singh and Mahatma Gandhi.
- **Cultural Confluence** – Folk performances, musical nights, and exhibitions showcasing India's heritage and aspirations for peace.
- **Service in Action** – Community outreach projects, environmental efforts, and eldercare visits, putting ideals into practice.
- **Visioning Workshops** – Collaborative sessions on climate change, digital inclusion, and social equity, guided by distinguished mentors.

Accommodation, meals, and local transport will be provided by the host organization. We earnestly invite you to join us as a **participants, dignitary, mentor, or special guest, and to share your wisdom in shaping the next generation of peace-builders**

We eagerly await **your confirmation**. Let's **come together to kindle the spirit of global fraternity and build a more united world**.

With warm regards
