## ***Foreword***

It is with immense pride and heartfelt gratitude that I pen this foreword for the Global Youth Festival 2025 (2-7 October 2025) a celebration of unity, service, and the indomitable spirit of youth. Held at Sant Nirankari Bhawan, Panipat, this six-day festival was not merely an event—it was a living testament to the transformative power of collective purpose and Gandhian values.

From the sacred Sarva Dharma Prarthana at dawn to the vibrant cultural nights under the stars, each moment of the festival echoed our shared commitment to “Unity in Diversity – Peace as a Way of Life.” The presence of youth from every corner of India and abroad, representing diverse faiths, languages, and cultures, reaffirmed our belief that peace is not a distant ideal—it is a practice, nurtured through dialogue, service, and mutual respect.

I witnessed with deep admiration how young delegates embraced Shramanskar, engaged in intercultural exchanges, and reflected on the teachings of Mahatma Gandhi and Dr. S.N. Subbarao. Their sincerity, discipline, and creativity reminded us that the future of our nation rests in capable, compassionate hands.

This report captures the essence of those unforgettable days—days filled with learning, laughter, introspection, and inspiration. It documents not just activities and addresses, but the awakening of a generation determined to lead with empathy and courage.

I extend my heartfelt thanks to the organizing committee, volunteers, team leaders, and every participant who contributed to the success of this festival. May the spirit of Panipat, with its legacy of sacrifice and unity, continue to guide us as we build a more peaceful and inclusive world.

Let this report serve as a beacon for future endeavours, and may the seeds sown here blossom into lifelong commitments to truth, non-violence, and service.

With blessings and hope,

The highlight of the morning was the **keynote address by Shri Ram Mohan Rai**, General Secretary of Gandhi Global Family. Speaking on the historical and cultural significance of Panipat, he reminded the youth of the city's legacy of

sacrifice, struggle, and service. He reflected on the three historic battles fought in Panipat and emphasized how these events symbolize courage, endurance, and the resilience of the Indian spirit. Shri Rai urged the youth to draw inspiration from Panipat's pluralistic heritage—its temples, dargahs, and gurudwaras—and to carry forward the message of unity and peace.

### Afternoon Session: Gandhi Jayanti Commemoration

The afternoon session, held from 3:30 to 5:00 PM, was dedicated to the celebration of **Gandhi Jayanti**, marking the birth anniversary of Mahatma Gandhi. Chaired by Dr. Ram Mohan Rai, the session brought together distinguished guests, youth leaders, and social activists in a reflective and inspiring gathering.

Youth representatives from **different states**—including Rajasthan, Madhya Pradesh, Bihar, Uttar Pradesh, Delhi, Odisha, Assam, Jammu & Kashmir, Gujarat, and Punjab—shared their

personal reflections on Gandhian values and their relevance in today's world. Each speaker highlighted a unique aspect of Gandhi's philosophy—truth, non-violence, simplicity, and universal brotherhood—and connected it to contemporary challenges such as climate change, social inequality, and communal harmony.

The session emphasized that Gandhi Jayanti is not merely a day of remembrance but a **call to action**. Participants were encouraged to take personal responsibility for peacebuilding, environmental sustainability, and cultural understanding. The festival's theme, "Unity in Diversity – Peace as a Way of

Life," was echoed in every speech, reinforcing the idea that youth are not just future leaders but present agents of change.

Quoting Gandhiji's timeless message, "An eye for an eye will leave the whole world blind," the speakers urged their peers to embrace dialogue over division, compassion over conflict, and service over self-interest. The session concluded with a collective pledge by the youth to uphold Gandhian values in their daily lives and to become torchbearers of peace, unity, and sustainable development.

**Day 1** of the Global Youth Festival 2025 laid a strong foundation for the days ahead. Through spiritual reflection, physical discipline, patriotic celebration, and intellectual engagement, the participants were immersed in the spirit of Gandhiji's legacy and the transformative power of youth unity. Panipat, with its rich historical and cultural tapestry, served not just as a venue but as a living classroom for values that transcend time and borders.

### A New Beginning

As the curtains fell on the Global Youth Festival 2025, the participants did not leave with just certificates—they left with a renewed sense of purpose. The friendships formed, the ideas exchanged, and the values embraced during the festival became seeds of transformation.

Day 6 was not an ending—it was a beginning. A beginning of a movement led by youth, grounded in Gandhian ideals, and driven by the spirit of service and unity.

## Azad Inaugurates Global Youth Festival at Panipat

New Delhi, Oct 3: Former Chief Minister of J&K and Chairman Gandhi Global Family, Ghulam Nabi Azad today inaugurated the Global Youth Festival 2025 at Sant Nirankari Bhawan, Panipat. The festival, beginning on Gandhi Jayanti, is aimed at educating and engaging the younger generation on Mahatma Gandhi's eternal values of truth, non-violence and justice. Addressing the gathering, Azad emphasised that Gandhiji's principles remain a guiding light for humanity and must be carried forward by today's youth to build a just, inclusive and peaceful world. He said, "Gandhiji's ideology was one that united people. He never indulged in division or discrimination. Today, it is the responsibility of the young generation to spread this message that there should be no conflict, no violence and no discrimination of any kind, whether based on caste or religion. From Kashmir to Kanyakumari, we are all one, and every community is part of this nation. Gandhiji's India can move forward only when we all work together for our country." The Global Youth Festival

will host a series of discussions, cultural activities and awareness programs designed to inspire young minds to imbibe Gandhian ideals and translate them into action in their personal and social lives. It was organised by Gandhi Global Family, in coordination with Sant Nirankari Mission & National Youth Project. Among others who were present on the occasion were Padma Shri S.P. Verma & Ram Mohan Roy of GGF & others. The event witnessed participation from students, youth leaders, academicians, and members of civil society from across the country, reflecting a collective commitment to strengthening the Gandhian vision of truth and non-violence.

### Accommodation & Facilities

Separate lodging arrangements for male and female participants were made, with attention to hygiene, water supply, and sanitation. Security and housekeeping volunteers-maintained cleanliness and order throughout the camp duration.

### Food & Water

Nutritious meals were served by dedicated catering teams, with safe drinking water units installed at key locations. Waste management and food distribution were handled efficiently by trained volunteers, ensuring a clean and inclusive dining experience.

## **Main Hall & Flag Hoisting**

The main hall was equipped with seating, lighting, sound systems, and thematic decorations reflecting the festival's core values—Unity, Peace, and Service. A designated flag hoisting area was prepared with full protocol, including dignitary seating and audio support.

## **Volunteer Network**

Over 100 volunteers from various states were assigned duties across transportation, accommodation, food service, hall management, and ceremonial support. A 24/7 help desk and medical station were established to assist participants and address emergencies.

Through collective effort, foresight, and dedication, the pre-arrangements laid a strong foundation for a festival that welcomed youth from across India and abroad into a space of peace, learning, and cultural unity.

## National Youth Project: Mission and Activities

The **National Youth Project (NYP)** was founded in the 1970s by Gandhian thinker and social worker **Dr. S.N. Subba Rao**, affectionately known as *Bhai Ji*. Its aim has been to connect youth with the process of nation-building, instill a spirit of service and moral values, and strengthen social unity and harmony.

### Mission

The core mission of NYP is to unite the youth and instill in them the values of patriotism, truth, non-violence, love, and brotherhood. It organizes youth around themes such as communal harmony, caste and gender equality, and environmental protection. It also encourages youth to actively participate in areas like de-addiction, rural development, education, health, disaster management, and sanitation.

Bhai Ji believed, “*Youth are not just the future—they are the present.*” Therefore, NYP has always given youth leadership roles and involved them in meaningful social reform activities.

### Key Activities Over Five Decades

1. **National Unity & International Youth Leadership Camps-** Camps were held across Indian states and in Bangladesh, Sri Lanka, USA, Nepal, and Indonesia, bringing together youth from diverse languages, religions, and cultures to foster mutual understanding and brotherhood.
2. **Disaster Management / Spirit of Service** – During natural calamities such as super cyclones, tsunamis, earthquakes, and droughts, relief and rehabilitation efforts were carried out across the country with the help of youth, through service-oriented initiatives and relief camps.
3. **Communal Harmony-** During times of communal tension, NYP facilitated dialogue and peace-building through youth engagement.
4. **Environmental Protection-** Awareness programs were conducted for tree plantation, water conservation, and clean energy. Notably, 1 million trees were planted in Kevadia, Gujarat.
5. **Sadbhavana Rail Yatra (Harmony Train Journey)-** In the 1990s, under Bhai Ji’s leadership, this historic movement spread messages of unity, love, and peace across India in three phases.

### Youth Camp Activities

Daily activities in NYP camps include:

- Yoga sessions
- Flag hoisting
- Voluntary labor (Shramdaan)
- Language classes
- Discussions on pressing issues
- Skill-sharing
- Group sports
- City tours and rallies
- Interfaith prayers
- Cultural programs featuring multilingual songs like “*Bharat Ki Santan*”

### Impact

Millions of youth have contributed to nation-building through NYP. It has strengthened the culture of brotherhood, non-violence, and love. Its role in promoting education, sanitation, de-addiction, and environmental protection in villages has been widely appreciated. The series of youth camps continues, and NYP is actively running the *Bharat Ki Santan* campaign.

### Bhai Ji's Message to Youth

"If you want to make your life meaningful and help build a better Mother India and a better world—congratulations!"

You are welcome to join the **NYP family**, which includes over **200,000 youth (men and women)** across India and abroad.

### What It Means to Be a member

We all know that some forces cause harm, but they are few. Many more people want a happy society—but they are scattered and lack a plan. Becoming an NYP member means becoming an active, positive, and honest contributor to society.

### How to Begin

- Be assured: others think like you—"We can make the world happier, and we must."
- Gather like-minded people for a meeting. Choose a time and place—your home, a friend's house, a field, or under a tree.
- Start the meeting with a song if possible, especially in a community setting.
- Make a list of those who join your NYP unit. Explain that NYP means action. Plan at least **four monthly programs** with members in your village/town/ward:

Day	Activity
<b>First Saturday</b>	Intellectual session, debates, book reviews
<b>Second Sunday</b>	Community work: tree planting, road repair, water conservation
<b>Third Saturday</b>	Interfaith prayer followed by cultural program
<b>Last Saturday</b>	Interfaith Prayers followed by cultural program

- Observe national days: **15 August, 26 January, 12 January (Youth Day), 2 October**. Visit a village (preferably by bicycle) and discuss local issues with villagers.
- Stay in touch with your state NYP centre and register your unit. Selected youth may occasionally attend NYP camps and programs.

"Life becomes joyful and fulfilling when one acts for the benefit of others."
