National Youth Conference & Orientation Camp

Mahatma Gandhi Seva Ashram, Joura, Morena, Madhya Pradesh

From 24th November to 26th November 2026

PERSONAL INVITATION

Dear Young Friend,

Greetings from the National Youth Project Trust. It gives me immense pleasure to personally invite you to participate in the National Youth Conference 2026, a special three-day programme organised by the National Youth Project Trust to bring together young volunteers and representatives from all the States and Union Territories of India. The Conference is being organised with the primary objective of developing a new generation of dedicated young volunteers. The programme will provide an opportunity to meet young minds from different parts of the country, share experiences, understand the vision and values of the National Youth Project and teachings of **Dr. S. N. Subba Rao (Bhaiji)**, also all of you will get a chance to interact with renowned Gandhian **Shri P. V Rajgopal ji** and participate in discussions and activities related to national integration, social service, youth leadership, volunteerism development and constructive nation-building.

You are invited as a youth representative/participant from your State. We particularly look forward to your active participation in the discussions, group activities and preparation of future youth action plans for the National Youth Project. The Conference will be for three days, including orientation, interactive sessions, group discussions, cultural interaction and youth action planning.

Travel, Food & Accommodation: Food and accommodation during the programme will be provided by the organisers. The one-side sleeper-class railway fare will be reimbursed. Participants are requested to retain their original/valid travel ticket and submit the ticket details and required travel information to the organisers. Reimbursement will be processed after submission and verification of the travel details. Participants are requested to make their travel arrangements in consultation with the organisers wherever necessary.

Your Commitment: We hope that you will not consider this merely as a conference, but as an opportunity to become part of a national youth volunteer network and to take forward the ideals of service, unity, peace, national integration and constructive action. Your presence and active participation will contribute to building the next generation of the National Youth Project. We look forward to welcoming you to this important national gathering.

Contact: Shri. Karayil Sukumaran, General Secretary, National Youth Project Trust, New Delhi.
